YOUR LOCAL GOVERNMENT INFORMATION STATION

Vineyard City has elected officials and staff who work hard each day to assure that the City is running and developing smoothly and that your needs as a resident are being met. However, local government can sometimes be a bit of a mystery to those who aren't involved in it daily. So we've created GOV101 to demystify it a bit. Every month, you can come here to find out more about what your local government does everyday to make Vineyard great!

THE BUDGET PROCESS FINANCE DEPARTMENT

Each year, the Vineyard Finance department creates a budget that is approved by the City Council and is used as a spending guide for the coming fiscal year (July 1 – June 30). In Vineyard, we try to assure that our budget reflects the goals of the current Mayor and Council. The first step in our budget process is to meet with them and discuss their goals. As these goals are being formulated, the Finance staff are hard at work figuring out the amount of revenue (e.g. property taxes, sales taxes, building permit and utility fees) we can project for the coming year.

Using the goals set by the Mayor and Council as a guide, the head of each City department determines what expenses they might have in the coming year. They consider things like new positions or equipment needs to keep up with the City's growth, maintenance costs of City-owned infrastructure, funds needed to cover big projects like finishing parks or laying new roads, and the cost of day-to-day operations. The department heads then prioritize their expenses and hand them over to the Finance Department. The Finance Department then balances the requested expenses with the projected revenues for the year to create the preliminary budget.

The preliminary budget is then presented to and voted on by the Mayor and Council at a City Council meeting. Then, the budget goes through a public hearing so residents (like you!) have a chance to ask questions and make comments. Finally, after any final changes, the City Council adopts the final budget before the fiscal year starts on July 1st.

We have no shortage of information on how your local government works that we want to share with you, but if there is something specific you'd like to learn more about, please reach out to us by phone at (801) 226-1929 or by email at info@vineyardutah.org.

SUMMER CELEBRATION

For our Annual Summer Celebration, we have teamed up with Flagship for the Grand Opening of the new 18-Acre Sports Park! We are excited to invite the public out to celebrate this new amenity in Vineyard City for a huge party at the park!

We will kick off the celebration on Friday night with the Annual Movie in the Park Series, presented by our premier sponsor, Daniel Merrell and the REA team! The festivities will continue all of Saturday. See the schedule of activities below!

SUMMER SERIES MOVIES IN THE PARK

June 29th | 7:30 PM
18-acre Sports Park

Come join the REA Team for another fun-filled Movie in the Park! We will be showing the family fun film Despicable Me 3! The minions will begin at sunset.

There will be cotton candy, snow cones, animal balloons, games, and plenty of space to have a grand time with family, friends, and neighbors. In addition, we will be giving away a Disneyland family vacation to one lucky family! You must be present to enter for your chance to win those life-changing tickets. So come and enjoy Gru and make memories with us -- we look forward to seeing you there!

ELECTIONS

In this year's elections we will be electing State and Federal officials. Utah County will be running an all vote-by-mail election. Watch for your ballot in the mail in June. If you have changes to your voter registration or address you can update it at vote.utah.gov or visit the Utah County Election office located at 100 E Center St. Suite 3100, Provo, UT 84606 by June 19.

You may return your ballot in the following ways:

- By mail - mail your ballot postmarked no later than the day before the election.
- Drop off - any service center (see the list on the county website). Voters may go to any service center in the county.

You must either mail your ballot or drop it off at the Vineyard City offices or one of the service centers listed on the county website. The county will have a service center located at the Vineyard City offices on Election Day. Visit our [website](#) for more information.

SHERIFF'S DEPARTMENT

NEIGHBORHOOD WATCH

The Sheriff's Department is looking for volunteers to head Neighborhood Watch programs in their communities. If you are interested, call the Vineyard City office at 801-226-1929.

ZIP CODE CHANGES

Vineyard is getting a new zip code! Due to a large increase in population, the United States Post Office has issued us a new zip code, **effective immediately**. Our zip code has changed from 84058 to 84059. Using this new ZIP Code will speed up your correspondence by helping USPS to sort, ship, and deliver all your mail more efficiently. To make this transition as easy as possible, the Postal Service will ensure delivery of your mail with the old ZIP Code for a period of one year. Our Post Office has also changed to the Center Street location.

GOVERNOR HERBERT VISITS VINEYARD

Governor Gary Herbert met with Mayor Fullmer to talk about the vision of Vineyard. They toured Vineyard and discussed the incredible growth of the city, the intermodal hub, connectivity, the front runner station, economic possibilities, and some of the projects Vineyard is currently addressing! It was a great meeting and our administrative staff and council joined in to make the governor feel welcome and bring Vineyard's story to light!

VINEYARD HERITAGE COMMISSION CORNER

While we look all around us and see road construction everywhere we might say, “when will this ever stop?” Well, road construction has been a thing of Vineyard’s history for as long as people can remember. Early roads in Vineyard were either dirt or gravel (that was the improvement). The early version of Geneva Road was merely a two-wheeled wagon road with sagebrush growing on each side and between the wheel tracks. It meandered along the ridge of high ground before the terrain dropped off into the swamp-like land to the West. It was of course a dusty road in the summer and muddy in the spring and winter. When the road was too muddy for travel, people would drive their wagons up

on the bench or would simply walk along the railroad bed. As time passed, a concrete road was later laid a section at a time as the state could afford it. The first section started in the Provo area and ended in the Lake View area (on South Geneva Road), then sometime later came up to about 800 South, then in another year or more it expanded to about 1200 North and then finally it expanded into the Pleasant Grove area in 1929. One frustration travelers encountered was to come to the end of a concrete section and find themselves having to navigate on dirty, dusty or muddy roads. And we think we have it hard to drive around a myriad of colorful cones!

RECYCLING

Have you taken advantage of Vineyard’s recycling program? Recycling is every other Tuesday and costs \$6 a month. If you would like to add recycling, just call 801-226-1929 and we will add it to your utility account. Not sure what items can be recycled? Here is a list of items that can and cannot be recycled.
